RoboForm
RoboForm remembers your passwords so you don't have to. Just remember your one Master Password and RoboForm remembers the rest. It's that easy!

Logins [Open](#)
Store and organize all of your passwords here. View or edit them at any time. Our bookmark-style Logins automatically log you in to your favorite websites with one click.

Identities [Open](#)
Do you shop online? Wouldn't it be great to fill out those long forms instantly? With RoboForm, it's just one click and you're done. Use Identities to auto-fill any web form accurately and efficiently.

Bookmarks [Open](#)
Securely access your favorite web pages.

Contacts [Open](#)
Keep track of your contacts by storing their phone numbers, emails, addresses, Skype IDs etc.

Safenotes [Open](#)
Securely store important information such as Wi-fi passwords, lock combinations, bank PINs, etc.
